

# Hotel Chocolat Stores Ltd

## Client

Hotel Chocolat Stores  
Ltd

## MLM Services

Building Control

## Agent

Terry Moore Design

## Contract Value

Approx £150k

MLM have successfully worked for a number of years with interior design architect Terry Moore on fit-outs for a significant number of stores for this premier British chocolate manufacturer.

MLM facilitated a rolling programme of store openings across England with rapid construction times, developing a close relationship with the designer to ensure the clients needs were met on every occasion.

MLM were able to advise on areas relating to fire safety on a number of the stores, the stores are located both on the high street and within covered malls which offer up their own unique fire safety issues.
